Representatives of Russias Oryol region arrived in Azerbaijan with a business mission on November 9, Azernews reports.

The delegation, led by the regional Export Support Center Head Inessa Volkova, included representatives of Expert Cable LLC (manufacturer of cable and wire products), Katrina LLC (manufacturer of innovative products for heating), and Samson LLC (manufacturer of lifting mechanisms and removable load-handling devices).

The delegation held a meeting at the representative office of the Russian Export Center in Azerbaijan. During the meeting, the delegations participants presented their companies and were able to ask questions about opportunities to develop business relations with Azerbaijan.
