Tomorrow, July 22, the Kyrgyz resort city of Cholpon-Ata at Lake Issyk-Kul will play host to the 3rd Economic Forum Issyk-Kul 2016, said the press service of the Kyrgyz Economy Ministry.

The Issyk-Kul province, like the other regions of Kyrgyzstan, has a big investment potential, the ministry said.

To promote the investment development of the Issyk-Kul province, the Economy Ministry has since 2014 organized the annual Issyk-Kul Economic Forum. The event has become a tradition in the countrys economic life and is important for the Kyrgyz business community.

During the previous two forums, participants signed agreements for large investment projects in the spheres of economy, mining industry, and agriculture.

This year the forum will focus on deepening business cooperation and encouragement of joint development projects. The forum will open up broad opportunities for constructive dialogue between representatives of the business community and will become an effective platform for joining efforts for improving the investment climate in the region and promotion of Kyrgyzstans economic cooperation with foreign countries.

The forum will work in the following sections: agro-industrial sector, tourism and ecology, mining, energy, finance, and telecommunications.

Participants from Russia, South Korea, India, Turkey, and China will learn more about Kyrgyzstans investment opportunities.

Proposals and ideas produced at the forum would help sustainable development of the Kyrgyz economy and business environment.
