He also said that U.S. Vice President Joe Biden should visit Serbia "in the coming days."

"I expect Biden to arrive in the coming days and it seems it will happen a few days earlier than planned," the PM-designate told reporters at a press conference.

Swedish Prime Minister Stefan Lofven will also visit Serbia, "which is a major thing for our country as he is only coming to Serbia and not going on a tour of the Balkans," Vucic said.

Vucic said he would be visiting Vienna on Friday, Saturday or Sunday as a guest of Chancellor Christian Kern.
