11.08.2016

24 News Agency; Augus 10, 2016

Dollar rate in Kyrgyzstan reaching 70 soms. For a week it has risen in price by 30 tyiyn.

Today, the exchange offices of the capital and the commercial banks buy dollars at 68.7-68.9, sell for 68.9-69 soms. Nominal rate - 68.7248 soms (growth per day - 0.1 percent).

Note, National Bank remains silent. It held intervention on the currency market only in late July, it sold dollars on the foreign exchange market. However, the intervention didn't produce results. The US currency continues to rise in price.

After the dollar, the Russian ruble also regains positions. It has become more expensive by 20 tyiyn. Today it is being bought at 1.05-1.06 soms and sold at 1.06-1.08 at the nominal rate of 1,0608 soms (growth per day - 0.55 percent).
