APA

The Armed Forces of Azerbaijan and Kazakhstan are conducting joint naval exercises in Baku, Kazakhstans Defense Ministry said.

According to the statement, the exercises are taking place within the international cooperation plan of the Kazakh Armed Forces.

Military divers are also taking part in the exercises.

In addition, military servicemen of the two countries got acquainted with the educational and material base of the diving training center and also did a training of joint action during emergency and search-and-rescue operations.

The exercises will last until 10 August.
