20.09.2017

US State Departments Special Representative for Ukraine Negotiations Kurt Volker says Georgia is not ready to become a member of NATO, Sputnik News reports.

I am working hard to make sure that your aspirations will receive a respective support in the European Union and NATO. Unlike Ukraine, Georgias progress is greater. I mean the transparency, the contribution Georgia brought to the global security, the defense, anti-corruption reforms and etc. However, I dont think that someone from NATO will say they are ready to accept Georgia as a member, Kurt Volker told Kviris Palitra newspaper.

He said in order to join NATO the consent of all member states is necessary.
