30.10.2017

APA (30 October 2017)

The Baku-Tbilisi-Kars (BTK) railway is a new bridge connecting Europe and Asia, said Georgian Foreign Minister Mikheil Janelidze, APAs Georgia bureau reported.

Janelidze noted that the BTK railway is a great success and will contribute to economic development, creation of new opportunities, peace and stability.

The BTK railway is of great importance for our countries, the region and Central Asia, the Georgian FM added.
