Were going through significant days in Turkey-Azerbaijan relations, Turkish ambassador to Azerbaijan Erkan Ozoral said at an event dedicated to the anniversary of Turkey's independence, APA reported.

He noted that two days ago Turkish President Recep Tayyip Erdogan visited Azerbaijan and opened the Baku-Tbilisi-Kars railway line with Azerbaijani President Ilham Aliyev.

The Baku-Tbilisi-Kars railway line is one of the iron ties between us, but our relations are stronger than iron, he said.
