
RUSSIA TO DONATE TWO MILITARY TRANSPORT PLANES TO SERBIA

-

02.11.2017

B92/Sputnik (2 November 2017)

Sputnik said that the two Antonov An-26 aircraft could arrive in Serbia in the next ten months.

An-26 are twin engine turboprop planes of medium capacity, used primarily for military purposes, whose improved and modified model allows it to be used for transport of massive cargo, and deployment of paratroopers.

The value of the donation unknown at this time, but according to estimates, one such overhauled plane costs between five and eight million dollars.
