APA (02 February 2018)

Azerbaijan is a key partner of Turkmenistan, President of Turkmenistan Gurbanguly Berdymukhammedov said Friday, APA reported citing Turkmenportal.

Berdymukhammedov underlined that the two countries relevant agencies should work closely to successfully implement the bilateral high-level agreements.

The Turkmen head of state said that the Caspian Sea should be a sea of friendship and international cooperation, stressing the necessity of large-scale work in this respect.
