NEWSPAPER: PKK TERRORISTS FLEE TO ARMENIA

-

15.02.2018

13.02.2018

The PKK terrorists entry to Armenia continues, according to Zhamanak (Time) newspaper.

Terrorists avoiding clashes with the Turkish military, cross the Armenian-Turkish border, surrendering to Armenias authorities.

Russian border guards protecting the Armenian-Turkish border do not obstruct the terrorists' penetration into Armenia.

Unlike Turkey, where the PKK is considered a terrorist organization, Armenia and Russia have a more neutral position towards Kurdish "insurgents" wrote Zhamanak.
