MOSCOW SEEKS NO ARMS RACE, WANTS TO RESOLVE DISPUTES

-

20.03.2018

Eyewitness News (20 March 2018)

Russia has no desire for a new arms race and will do everything it can to resolve differences with other countries, while defending its national interests, President Vladimir Putin said on Monday. Putin, at a meeting with the opponents he defeated in Sundays presidential election, said Russia wanted constructive dialogue with its international partners, though he said they would need to reciprocate, and respect Russia.
