It is true that Serbia and Croatia are not the same because Serbia was not on Hitler's side and it did not carry out the Holocaust against the Jews, Serbian FM Ivica Dacic said on Tuesday, responding to Croatian PM Andrej Plenkovic, Tanjug reported.

Earlier in the day, Plenkovic said it was "not good to use the word 'war' in a diplomatic or any other sense" and that Serbia and Croatia "are not the same, have not been and will not be the same in the future."
