## GEORGIA AND ISRAEL LAUNCH FREE TRADE FEASIBILITY STUDY

-

11.05.2018

---

Agenda.ge (10 May 2018)

Georgia and Israel are launching a feasibility study on further expanding the investment ties between the two countries and to increase awareness of Georgias investment opportunities in Israeli business society.

Georgias Economy Minister Dimitry Kumsishvili and the Minister of Economy and Industry of Israel Eli Cohen in Tbilisi signed the declaration on launching the free trade feasibility study between Georgia and Israel.
