The Times of Central Asia (11 June 2018)

On June 10, the Government of Afghanistan launched a new policy strategy aimed at spurring growth and job creation by boosting the export capacities of the countrys private sector and stepping up trade with regional and global markets. The National Export Strategy (NES), titled Peace through Prosperity, Prosperity through Trade is the product of multiple rounds of consultations with businesses and other stakeholders across the country led by the Ministry of Industry and Commerce together with the Afghanistan Chamber of Commerce and Industries, the Delegation of the European Union to Afghanistan reported.
