
ARMENIAN, TOGO FMS DISCUSS COOPERATION ISSUES

-

12.10.2018

Aysor (12 October 2018)

During the meeting the parties discussed prospects on starting close cooperation in different directions, referred to the necessity of activation trade-economic ties and starting regional partnership.

The two ministers attached significance to the multisided format of partnership and the platform of Francophone Organization in particular for the discussion of different issues of mutual interest.

The ministers also exchanged ideas over the agenda of the 17th summit of the OIF.
