
AZERBAIJAN LOOKS TO EXPAND SOUTHERN GAS CORRIDOR

-

17.10.2018

InterFax (16 October 2018)

Azerbaijan is considering involving additional countries in the Southern Gas Corridor project, according to Foreign Minister Elmar Mammadyarov.

We support the creation of a reliable network in the region. We are seriously considering geographical expansion of the Southern Gas Corridor and are working to this end, Mammadyarov said at a meeting of Eastern Partnership foreign ministers in Luxembourg, according to his ministry's press service.
