Zhamanak paper writes that former foreign minister Vartan Oskanyan has appeared under the focus of the law enforcers. Few days after Mayrapetyans arrest Oskanyan tried to leave the country but was not allowed to.

Citing its source, the paper says Oskanyans name is being circulated in Samvel Mayrapetyans case.

In 2008 businesswoman Silva Hambardzumyan transferred money to Samvel Mayrapetyan. Papers source claims that with money transferred by Hambardzumyan buildings were built in Yerevan with part of the money being paid by Arabs who arrived in Armenia at the invitation of Oskanian.

Vartan Oskanians share was paid by several apartments in downtown Yerevan.
