News.am (13 November 2018)

Armenia openly speaks about the worries in connection with the sanctions imposed against Iran, spokesperson for the Foreign Ministry Anna Naghdalyan told reporters on Tuesday.

We have already said we are closely following the processes. Evaluations are made as well as certain moves based on the assessment. We are in an open dialogue with all parties, and we are clearly presenting the issues that are of concern as well as our position, the Foreign Ministry spokeswoman said.
