ARMENIAN ACTING PM: LACK OF VENTURE CAPITAL IN ARMENIA IS A BIG PROBLEM

-

20.12.2018

News.am (19 December 2018)

One of the biggest problems of Armenia is that venture capital is not represented in the country, Armenian Acting Prime Minister Nikol Pashinyan told reporters on Wednesday in Dilijan.

According to him, the creation of venture capital institutions is one of the main priorities.
