ALBANIAN PM: OPENING OF BORDER WITH KOSOVO IS JUST BEGINNING

-

02.01.2019

b92 (1 January 2019)

He added that "the same procedure is planned when it comes to Montenegro, Macedonia, and Greece."

"I believe that the border between Albania and Kosovo will in the spring be according to the Schengen Agreement criteria. In the near future we expect the same principle and a modification of the borders with Macedonia, Montenegro, and Greece. We will continue with this practice until we join the EU," Rama said, according to Sputnik.
