
BRIGHT ARMENIA PARTY: ARMENIA TO LOSE WIRETAPPING CASE IN ECHR

-

18.01.2019

News.am (17 January 2019)

Armenia will lose the wiretapping case in the European Court of Human Rights, Bright Armenia party head Edmond Marukyan told reporters on Thursday.

Since there is no open, public discussion about the phone call, our state will have to answer tomorrow or later, Marukyan noted urging to discuss and solve these issues within parliamentary control.

As reported earlier, the recording of a phone conversation between the heads of Armenian National Security Service and Special Investigation Service was leaked.
