12.04.2019

Kaz Inform (12 April 2019)

"Efficient use of the country's transit potential is one of our long-term priorities," Kazakh President Kassym-Jomart Tokayev told at the meeting with the public in Mangystau region, the Akorda Twitter account reads.

"The Trans-Caspian international transport route runs through Mangystau region to bridge China, Southeast Asia, India, Persian Gulf countries, Turkey and Southern Europe," the Head of State noted. The Kazakh President stressed that the Government should intensify efforts with European countries, Southeast Asia, Middle East and China in attracting additional freight traffic to our ports.
