EU TARGETS HUNGARY FOR DENYING FOOD TO MIGRANTS

-

26.07.2019

EU Observer (25 July 2019)

Hungary has a month to respond to European Commission questions over denying asylum-seekers food, or face possible sanctions.

"Given the urgency of the situation, the deadline for Hungary to respond to the Commission's concerns is set for one month instead of the usual two," a European Commission spokeswoman told reporters in Brussels on Thursday (25 July).
