ARMENIA GOVERNMENT ALLOCATE ADDITIONAL 2.1BN DRAMS FOR ARMY

-

19.08.2019

News.am (19 August 2019)

The government of the Republic of Armenia (RA) will allocate additional AMD 2.1 billion (approx. US\$4,429,000) for the countrys armed forces. Prime Minister Nikol Pashinyan made a respective post on his Facebook page.

The RA government will allocate funds for additional 2.1-billion drams to improve the conditions of combat duty of soldiers, including to secure running drinking water to combat positions, he wrote, in particular.
