
AZERBAIJAN-BELARUS TRADE EXCEEDS \$120M

-

19.08.2019

AzerTAC (16 August 2019)

Trade between Azerbaijan and Belarus increased in the first seven months of 2019 to exceed \$120 million, according to the Belarusian National Statistical Committee.

Official figures suggest that Belarus exported goods worth \$109, 062,000 to Azerbaijan, while Azerbaijan`s export to Belarus made \$11,443,000 in January-July.

The volume of import and export transactions between the two countries amounted to \$204 million last year, which is almost \$56 million more than in 2017.
