## **NO-DEAL BREXIT WOULD SERIOUSLY HARM UK, LEAKED PAPER SAYS**

-

19.08.2019

---

EU Observer (19 August 2019)

The British government has tried to play down leaked warnings on the dangers to British people of a no-deal Brexit.

They were "exaggerated", one minister said. They were also "scaremongering" by anti-Brexit rebels, another minister claimed.
