
EU TO PLEDGE AFRICA SECURITY FUNDS AT G7 SUMMIT

-

23.08.2019

EU Observer (22 August 2019)

EU Council president Donald Tusk is set to make a flurry of pledges at the upcoming G7 summit, committing the EU to shore up a number of funds and create binding transparency measures on pay.

"Tusk is also going to speak on behalf of the [European] Commission, that is something new for us, normally we are not allowed to make financial pledges," a senior EU official told reporters in Brussels on Thursday (22 August).
