
CHINA ROTATES NEW TROOPS INTO HONG KONG AMID CRACKDOWN FEARS

- 29.08.2019

Al Jazeera (29 August 2019)

China rotated thousands of new troops into its garrison in Hong Kong on Thursday days before protesters planned to hold a march calling for full democracy after three months of sometimes violent demonstrations.

China's military will make even greater contributions to maintaining Hong Kong's "prosperity and stability", state news agency Xinhua cited the People's Liberation Army (PLA) in the territory as saying.
