
JUNCKER: NO-DEAL BREXIT 'PALPABLE'

19.09.2019

EU Observer (18 September 2019)

EU top officials on Wednesday (18 September) warned that the UK is heading for a no-deal break with the EU, unless the London government provides written proposals on the controversial Irish border issue.

"There is very little time left. [*] The risk of a no-deal is very real," EU commission president Jean-Claude Juncker told MEPs in Strasbourg.
