## ISRAEL SAYS ARMENIA PLANING TO OPEN EMBASSY

- 20.09.2019

---

Times of Israel (19 September 2019)

Armenia has decided to open an embassy in Tel Aviv in the near future, the Israeli Foreign Ministry announced Thursday.

The mission is expected to open at the earliest possible time, the ministry said, ideally some time between late 2019 and early 2020.

This decision reflects well the significant progress in bilateral relations between the two states over the past year, the ministry said in a statement.
