
ARMENIA'S PM HOLDS PHONE CONVERSATION WITH FRENCH PRESIDENT

-

11.10.2019

Aysor (10 October 2019)

Armenias Prime Minister Nikol Pashinyan had a phone conversation with the President of France Emmanuel Macron, governments press service reports.

During the conversation Macron referred to the conference of the Global Fund on Fighting Against HIV/AIDS, Tuberculosis and Malaria held in Lyon during these days.

PM Pashinyan expressed support to the French presidents initiative to fight globally against diseases threatening the humanity and expressed readiness to join the fund and support its activities.

The interlocutors also referred to the Armenia-EU and Armenia-France cooperation issues.
