
EU STANDS ALONE AGAINST US AND RUSSIA ON SYRIA

-

11.10.2019

EU Observer (11 October 2019)

EU diplomats stood alone against the US and Russia on Syria at the UN on Thursday (10 October), painting a bleak picture of transatlantic relations.

EU envoys to the UN Security Council (UNSC), from Belgium, Estonia, France, Germany, Poland, and the UK spoke to press in New York after the US and Russia blocked an EU-drafted UN resolution on the conflict.
