
HUNGARY FACES EU COURT FOR STARVING MIGRANTS

-

11.10.2019

EU Observer (11 October 2019)

The European Commission has ratcheted up its threat to sue Hungary for not feeding migrants and rejected asylum seekers held in transit zones at its border with Serbia.

On Thursday (10 October) the commission said denying people food was a violation of fundamental rights. Forcing those rejected to remain in the zone also "amounts to de facto detention", it added.
