
GERMAN EU PRESIDENCY TO HOLD EU-CHINA SUMMIT IN LEIPZIG

-

17.10.2019

EU Observer (17 October 2019)

The German EU presidency in second half of 2020 will hold an EU-China summit in Leipzig, chancellor Angela Merkel said on Thursday in a speech in the German parliament outlining the country's political position and priorities ahead of this week's EU summit. "The EU does not currently have a joint China policy which is not good for the EU", Merkel said.
