
BREXIT VOTE PROMPTS TUSK TO SEEK ANOTHER EXTENSION

-

23.10.2019

EU Observer (23 October 2019)

European council president Donald Tusk said he will press for a Brexit extension after UK lawmakers demanded more time despite reaching a deal on leaving the European Union.

"I will recommend the EU27 accept the UK request for an extension. For this, I will propose a written procedure," said Tusk in a tweet on Tuesday (23 October), meaning there will be no special EU summit.
