
KYRGYZSTAN EXPORTS TO CHINA AGRICULTURAL PRODUCTS IN AMOUNT OF \$10 MLN

-

24.10.2019

Kabar (24 October 2019)

For the first 9 months of 2019, Kyrgyzstan has exported agricultural products to China in the amount of \$ 10 million, Chief Specialist of the Agricultural Products Export Department of the Ministry of Agriculture, Food Industry and Land Reclamation of Kyrgyzstan Beksultan Arzybayev told reporters at Kabar News Agency.

Mainly cherries, wild cherries, dried fruits, apricots and honey products were exported to China.

In turn, Advisor to Agriculture Minister Azat Erkebayev noted the Kyrgyz Republic mainly imports from China chicken meat and consumer goods.
