
VON DER LEYEN COMMISSION ON TRACK FOR DECEMBER START

-

19.11.2019

EU Observer (18 November 2019)

The largest political groups in the European Parliament's foreign affairs committee supported Hungarian commissioner-designate for enlargement Oliver Varhelyi on Monday (18 November).

Varhelyi became the final commissioner-designate to be approved by MEPs, and the move means that commission president-elect Ursula von der Leyen's new executive is on track to take office on 1 December.
