## EU SILENT ON TRUMP THREAT TO HIT IRAN CULTURAL SITES

- 07.01.2020

---

EU Observer (7 January 2020)

The European Commission declined to speak out against threats to target cultural sites in Iran by US president Donald Trump, amid warnings it would constitute a war crime.

A commission spokesperson told reporters in Brussels on Monday (6 January) the EU institution will not comment when pressed to take a position on the threat, which Trump had repeated following an earlier tweet over the weekend.
