Anadolu Agency (23 January 2020)

Dear Mevlut [Cavusoglu] thank you for your encouraging support to Georgia in its relentless pursuit to become a member of NATO. The importance of your support is even more pronounced given the challenges currently facing. We hold firmly to our chosen path to NATO, David Zalkaliai said on Twitter.

The Twitter post came after Cavusoglu urged NATO to invite Georgia to become a member of the alliance.

I do not understand why we have not invited Georgia or we have not activated the action plan for Georgia to become a member, said during a panel discussion of the Davos World Economic Forum in Switzerland. We are criticized for having relatively better relations with Russia as a neighbor, but our western friends are not agreeing to invite Georgia because they dont want to provoke Russia.
