Serbian Presidency member Milorad Dodik believes Bosnia and Herzegovina will not exist next spring unless it returns to Dayton positions.

He also said that Republika Srpska has embarked on a path of secession from Bosnia-Herzegovina, a road with no return.

He said that time would show how serious Republika Srpska is in that regard, stating that Srpska has a choice between two options, one of which is to allow it to quietly disappear and be destroyed through a "lethal" package made by the international community and Bosniacs' parties in Sarajevo, RTRS reports.
