
NET PAYER COUNTRIES PUSH BACK ON EU BUDGET PLANS

-

17.02.2020

EU Observer (17 February 2020)

EU net payer countries have pushed back after the latest proposal for the seven-year EU budget was put forward by EU council president Charles Michel last Friday (14 February).

Michel's proposal comes ahead of a crucial meeting of EU leaders this Thursday (20 February) and is very similar to the latest plans of the Finnish EU presidency on the overall spending.
