Report informs, citing Shaffer's Twitter page, that the professor wrote:

"Nikol Pashinyan, you stated at the Munich Security Council that Nagorno-Karabakh is a separate entity from Armenia. Then why is your own son serving his compulsory military service in Nagorno-Karabakh?"

Brenda Shaffer is a professor at Georgetown University. She is an expert in foreign policy and energy. Brenda is also the author of *Borders and Brethren: Iran and the Challenge of Azerbaijani Identity*, published by the Massachusetts Institute of Technology (MIT).
