
IRAQ PM-DESIGNATE STRUGGLES TO FORM GOVT AMID CRISIS

-

21.02.2020

Daily Sabah (20 February 2020)

Iraqi Prime Minister-designate Mohammed Tawfiq Allawi said late Wednesday that he has put together a cabinet of political independents and called on the parliament to hold an extraordinary session next week to grant it a vote of confidence.

Nominated as a consensus candidate among Iraq's divided political parties, Allawi emphasized that his cabinet was not drawn from the political elite, a key demand of the protest movement sweeping the country's capital and south since Oct 1.
