
DIMITROV: MARCH IS A TEST FOR EU'S GEOPOLITICAL AMBITIONS

- 26.02.2020

European Western Balkans (25 February 2020)

In order to be able to continue with talks about this regions European perspectives, it is necessary to achieve a consensus for green-lighting the start of the accession negotiations with North Macedonia without any delays said the Foreign Affairs Minister, Nikola Dimitrov during his stay in Thessaloniki, Meta.mk reported.

Апрет shall be a test also for the new Committees geopolitical ambitions. This is also a test for the EU itself for a credible global influencing, As for North Macedonia, we are not perfect but you shall all agree that we have built a strong resume and we have delivered. It is nigh time for the importance of the moment to be recognized by the European Council and to grab the chance for a join success, Dimitrov said.

According to Meta.mk upon invitation from Greeces Minister of Foreign Affairs, Nikos Dindias, Dimitrov took part in the conference at a higher level dedicated to Western Balkans European Perspective from Thessaloniki to Zagreb.

The foreign affairs ministers of both the Western Balkans and the EUs member countries that border with this region have altogether been striving for a strong, united and stable Europe through total integration of the Western Balkans into the EU.
