
IRAQ: TWO ROCKETS HIT GREEN ZONE IN BAGHDAD

-

02.03.2020

Deutsche Welle (1 March 2020)

Two rockets were reported to have landed inside the Green Zone in the Iraqi capital of Baghdad in the early hours of Monday.

One of the rockets was said to have landed close to the United States Embassy. No casualties were reported.

The Katyusha rockets fell inside the heavily fortified compound where government buildings and embassies are located.
