IFP (25 March 2020)

Iranian and Armenian foreign ministers have talked about Tehrans actions to counter the outbreak of Coronavirus in the face of unilateral and cruel US sanctions.

In a phone conversation on Wednesday, Mohammad Javad Zairf elaborated on the Islamic Republics measures in this regard.

FM Zarif and Zohrab Mnatsakanyan also exchanged views on transit and cooperation in science and technology.

While appreciating the cooperation in these areas, the two sides called for continuation of these collaborations.
