## PAKISTAN EXTENDS LOCKDOWN TO STEM CORONAVIRUS SPREAD

-

02.04.2020

---

Anadolu Agency (1 April 2020)

Aamir Latif

Karachi

Pakistan on Wednesday announced a two-week extension in an ongoing lockdown in the wake of rising numbers of coronavirus cases in the country.

"The government has decided to continue the current restrictions on public movement until April 14," Federal Minister for Planning Asad Umar told a news conference in capital Islamabad after a meeting on dealing with the pandemic.
