NEW EU NAVY OPERATION TO KEEP MIGRANT DETAILS SECRET

-

02.04.2020

EU Observer (2 April 2020)

Nikolaj Nielsen

The EU's new 'Irinı' naval operation, off the Libyan coast, will not disclose how member states decide where to send any migrants rescued at sea.

This issue had previously rankled with Austria and Hungary who had threatened to derail Irini, an operation whose primary objective is to enforce the United Nation's arms embargo against Libya.
