## **MALTESE ENVOY QUILS AFTER CALLING MERKEL A NAZI**

-

11.05.2020

---

Deutsche Welle (11 May 2020)

The Maltese envoy to Finland quit on Sunday after comparing German Chancellor Angela Merkel to Adolf Hitler.

Michael Zammit Tabona's anti-Merkel Facebook entry, posted on Friday, cost him his six-year diplomatic post as Malta's Foreign Minister Evarist Bartolo sought to repair relations with Berlin.

Bartolo said he had accepted the resignation of the Maltese businessman and hotelier appointed as Malta's ambassador to Helsinki in 2014.
